Ana reached out to pat Squishy's head. "Well, I'm not from Misty Bay. And neither are they," she said, pointing to the ship. "We're not scared."

My name is Molly. I am a cat. This was the morning when my whole life changed. It was the morning that Cassie and I would start at Mesmerine Academy.

"Hello?" I called. My voice felt shaky and unsure. "Anybody in here?"

I took another step. The running water sound was definitely in there. I carefully made my way to the bathroom. The light was on inside.

"You left the water on," I said, which seemed dumb. I think I would have been scared if a real person said, "Oh, I'm sorry." Especially since my dad, Olive, and I were the only ones there. Or were we?"

I stepped into the bathroom. The sink faucet was running hot water. Steam was rising from the sink and fogging the mirror. As I stood there, I saw letters forming in the steam. It was like someone was writing a message with their finger. Right before my eyes.

I stood there frozen as each letter formed.

It said: leave us alone

I covered my mouth to stop from screaming.
