

Let's Craft!

Fall holidays are fun! Let's paint pumpkins to help decorate!

What You Need:

- mini pumpkin
- markers, finger paints, or paints and a paintbrush
- stickers
- paper plate

Steps:

1. Set your mini pumpkin on a paper plate or other surface you can get dirty.
2. Choose what you will decorate your pumpkin with. It can be markers, paints, or even stickers!
3. Decorate your pumpkin. What colors will you choose? What designs will you make?

Fall Leaf Art

Let's make leaf art with this fun activity!

What You Need:

- fallen leaves
- white paper
- crayons

Steps:

- 1.** Go outside. Gather leaves that have fallen off their plants.
- 2.** Lay each leaf down on a flat surface. Set your piece of paper on top of the leaves.
- 3.** Color over the leaves, marking them onto your paper.
How many leaves did you color over? What colors did you choose?
- 4.** Hang up your leaf art!

Let's Make Fall Treats!

Make tasty apple pops with this fun activity!

What You Need:

- apple slices
- wooden skewers or cake pop sticks
- vanilla yogurt
- toppings like nuts, candies, sprinkles, honey, or caramel

Steps:

1. Ask a parent for help. Have a parent slice a washed apple and stick each slice with a skewer.
2. Dunk each apple slice into the yogurt.
3. Sprinkle on any toppings you like.
4. Set the pops on a tray. Put the tray in the freezer for about an hour or until the yogurt is solid.
5. Enjoy!

Freezing Fall Popsicles

Fall temperatures are cold. They can be freezing! Let's freeze apple cider to make yummy fall popsicles!

What You Need:

- apple cider
- popsicle molds

Steps:

1. Ask a parent for help. Pour apple cider into popsicle molds.
2. Freeze the popsicles overnight.
3. Enjoy!
